Cross-Departmental Collaboration Framework

Our organizational structure emphasizes horizontal collaboration through:

- Project-Based Teams:** Temporary task forces combining members from different departments
- Monthly Sync Meetings:** Interdepartmental strategy sessions
- Shared KPIs:** Metrics that require cross-functional achievement

Example: The "Digital Transformation Initiative" involved:

- Instructional Design (curriculum)
- Course Development (platform)
- IT Infrastructure (system integration)
- Marketing (launch strategy)

- HR (training rollout)
